Tropical Fiesta

Trek into the rainforest with these
fruity and exotic finds

This year's adoration for all things tropical encourages you to be bold with bright colours and have fun with flora and fauna. Make summer party invites with papers that scream and shout, or dress up plain card with flamingo washi tape and palm tree buttons. Stitch tableware from fruity fabrics, then use a butterfly stencil to make bunting or cheat with a ready-made pineapple garland. Whatever you do, have a fiesta!
